Welcome to the 2010-2011 Tri-City Channel Cat Swim Season. Attached you will find the required forms necessary for your swimmer to maintain your membership and/or become a Channel Cat. Please fill out the completed forms and bring to the Parent Meeting on September 11th at 3:00 at Columbia Community Church. If you can't make it to the meeting, please return to the Treasurer by September 25, 2010.

- **Athlete Code of Conduct**: For **each** athlete in your family, **BOTH** the parent and swimmer must review and sign.
- **Commitment Form**: Please review the training fee schedule included in this packet. You **must** mark your selection. If the Commitment Form is **not** received by September 25, 2010, your swimmer may lose training privileges.
- **Information Sheet / Medical Form**: **Each** athlete in your family must have a completed form.

The Channel Cats organization is a parent owned non-profit organization and we rely on the parents to support and become actively involved in our organization and the activities we host. There are numerous fundraising opportunities, as well as team sponsored swim meets that **NEED** your involvement.

It is also very important that your financial obligations to the team are fulfilled. Your invoice is emailed monthly (with the exception of September) and with your payment due on or before the 10th of each month. Payments are considered delinquent after the 20th and will be assessed a \$25 late fee. Should you ever have questions on an invoice please contact the Treasurer. We request that you do not ask the coaching staff for answers to questions related to your invoices.

We encourage you to visit the team website **www.tricitychannelcats.org**. All board members have email addresses and are printed in each newsletter. Please feel free to contact any board member with questions or concerns you may have.

We look forward to another successful swimming season – we'll see you on deck!
